Each resident has their own private, ensuite room which can be personalised to their own taste, with a discreet nurse call system ensuring support is always to hand should it be needed.

Our beautiful courtyard gardens are one of the highlights of Foxbridge Care Home. Accessible to all, and with direct access from many of our ground-floor rooms, the gardens are a true jewel in the crown. With a choice of seating areas and pergolas, this secure outdoor space is perfect for relaxation, exercise, and even al-fresco dining in the warmer months.

We look forward to welcoming you

No two days at Foxbridge are the same thanks to our varied and inclusive activities programme, aimed at engaging every aspect of wellbeing to nurture creativity, connection, and health. Our Café is a vibrant community hub where residents can catch up with loved ones over a cup of tea and a slice of cake, while many residents enjoy gathering together or inviting loved ones to watch a classic movie in our very own cinema area. For those who prefer to curl up with a good book, we also have a peaceful library with great views, and our in-house hair salon is the perfect place for a spot of pampering.

All meals are freshly prepared by our professional chefs who create rotating seasonal menus to ensure the tastiest and most nutritious options for our resident, tailored to individual dietary requirements and preferences.

Experience the advantages of group living at Foxbridge Care Home: where care, support and good company are always within reach, and every day can be enjoyed to the full.
